

# Mongolia ESG seminar day

We are pleased to invite you to our ESG seminar day on Thursday, 20 April. The seminar day will be hosted by legal experts from DB&GTS LLP and Allen & Overy. Our speakers will provide insight into topical trends and key issues impacting financial markets in APAC, such as ESG finance, hydrogen, carbon markets and carbon storage and provide an outlook on challenges and opportunities across the energy and infrastructure sector that we believe are relevant to you and your business.

A lunch will be served, together with refreshments and snacks throughout the day. There is no cost to attend any of the sessions.

Please feel free to extend this invitation to other members of your team.

We hope you can join us!

**Date:** **Thursday, 20 April 2023,**  
from 0900 am to 1800 pm (ULAT +8)

**Format:** In-person full day seminar with limited seats

**Felipe Duque**

**Felipe's** practice focuses on cross-border debt and equity capital markets transactions, U.S. securities law and general corporate matters. Felipe is currently based in Singapore and previously practiced in New York and London.

He advises companies and investment banks on offerings of high yield, convertible and investment grade bonds, IPOs, follow-ons, block trades and other strategic equity investments. Felipe also has significant experience advising sovereign issuers and state-owned enterprises on capital markets transactions and private equity groups on M&A and matters relating to their portfolio companies.

**Scott Lovell**

**Scott** has significant experience in a wide range of projects and financings, in particular in the oil & gas, LNG, mining, power and renewables and infrastructure industries. Scott has been working in Asia for over 13 years, focused on project financings in the region, and has worked on a number of financings including ESG financings. Prior to joining the Singapore office, he worked in the London, Amsterdam, Tokyo and Sydney offices of Allen & Overy.

**Magdalena Biereder**

**Magdalena** is a New York and English qualified senior associate in the international capital markets department in Hong Kong. She has experience advising sovereign, corporate, financial institution and supranational clients in a range of corporate finance transactions and securities offerings, including 144A/Reg S high yield and investment grade debt, SEC registered offerings, IPOs and liability management exercises. Her practice also includes advising companies with respect to sustainability bonds, disclosure issues, corporate governance matters and compliance with U.S. federal securities laws. Before moving to Hong Kong, Magdalena has worked with a leading US firm in London.

**Zoljargal Dashnyam**

**Zoljargal Dashnyam (Zola)** is a lawyer with business background. She has over 18 years of experience in the law practice. Started off as an in-house counsel at the largest commercial bank in Mongolia, Zoljargal moved to the private practice after seven years of busy yet fruitful career at the bank.

She is now the leading expert on finance and capital markets in Mongolia with impressive track records of deals and transactions she was involved in. Zoljargal's portfolio includes clients such as investment banks, energy companies, multinationals, oil & gas as well as mining companies, investment funds etc. She leads and is actively involved in the transactions the firm has advised on over the years accumulating unparalleled experience and expertise in matters of Mongolian law.
